Commission on Population and Development
Forty-second session
30 March-3 April 2009
Item 5 of the provisional agenda*
Programme implementation and future programme of work of the Secretariat in the field of population

Draft programme of work of the Population Division, Department of Economic and Social Affairs, for the biennium 2010-2011

Note by the Secretariat

1. The draft programme of work of the Population Division of the Department of Economic and Social Affairs for the biennium 2010-2011, which is contained in the annex to the present note, is submitted for the consideration of the Commission on Population and Development in compliance with the Regulations and Rules Governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation (ST/SGB/2000/8).

2. The General Assembly has approved, in its resolution 63/247, the biennial programme plan for the period 2010-2011, which includes the elements of the programme narrative, namely, the objectives, expected accomplishments and indicators of achievement of the population subprogramme.

3. The draft programme of work presented below includes, in addition to the programme narrative, a list of outputs formulated within the framework of subprogramme 6, Population, of programme 7, Economic and social affairs, for the period 2010-2011.

4. The Commission is invited to take note of the programme narrative and to review the proposed outputs to be included in the proposed programme budget for the biennium 2010-2011, which will be submitted to the Advisory Committee on Administrative and Budgetary Questions and the General Assembly at the sixty-fourth session.

* E/CN.9/2009/1.

Annex

Draft programme of work for the biennium 2010-2011 for the Population Division, Department of Economic and Social Affairs

Objective

1. The objective is to strengthen the international community's capacity to effectively address current and emerging population issues and to integrate the population dimensions into the development agenda at the national and international levels.

Expected accomplishments of the Secretariat	Indicators of achievement
(a) Effectively facilitate review by Member States of progress made in the implementation of the Programme of Action of the International Conference on Population and Development, the outcome of the twenty-first special session of the General Assembly, and the outcomes of the United Nations conferences and summits in the social and economic fields related to population and development, including the Millennium Summit and the 2005 World Summit	(a) Improved quality of support and servicing for the Commission on Population and Development, including the provision of timely, relevant, technically sound and policy-oriented documentation for its work
(b) Enhanced awareness of new and emerging population issues and increased knowledge and understanding, at the national level, particularly in the areas of fertility, mortality, migration, HIV/AIDS, urbanization, population growth, population ageing and the environment	(b) Increased interaction of the subprogramme with other key stakeholders in the area of population
(c) Improved accessibility and timeliness of population information and data for use by Member States, civil society and academia	(c) Increased demand for population publications or digital information products

External factors

2. Member States will remain committed to the goals and objectives of the International Conference on Population and Development and the relevant goals of the outcome documents of the Millennium Summit and the 2005 World Summit.

Outputs

3. During the biennium 2010-2011, the following outputs will be delivered:

(a) Servicing of intergovernmental and expert bodies (regular budget):

(i) General Assembly:

a. Substantive servicing of meetings: Second Committee of the General Assembly (1); informal thematic debate on international migration and development (2);

b. Parliamentary documentation: report of the Secretary-General to the General Assembly on international migration and development (1);

(ii) Economic and Social Council: substantive servicing of meetings: Economic and Social Council (2);
